

***Brewer Parks & Recreation Department***  
***“ North Pole Calling”***

Dear Parents:

The Brewer Recreation Department has once again been able to make exclusive arrangements with the North Pole for Santa to call Brewer preschool through second graders from his North Pole Workshop. An opportunity to talk with Santa will be offered to your child on December 16th, 17th & 18th from 4:30 – 8:00 p.m.

Santa will be more than happy to call your child and wish them a Merry Christmas. Santa's personal knowledge of each child's Christmas wishes will help provide a positive and lasting memory for Brewer youngsters. Return this form to the **Brewer Auditorium by December 12th**, to be forwarded to Santa, or mail to:
